Installation Manual

Please read notices on following page

TWO PERSONS REQUIRED

Dimensions of fixtures are approximate and may vary ± 6mm (1/4"). Structure measurements must be verified against the unit to ensure proper fit.
PRODUCT SPECIFICATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE.

MATERIALS AND TOOLS REQUIRED

GENERAL INSTRUCTIONS
- Read this guide carefully and completely before proceeding.
- It is recommended that you wear safety glasses during the installation.

NOTICE
- For best results, we recommend that a licensed, professional plumber install this unit.
- Please read over these instructions thoroughly before beginning installation.
- Make sure that you have all tools and supplies needed to complete the installation.
- Please check local building code.
- Keep receipts (proof of purchase and place of purchase) for this product. The receipt is required should it be necessary to request warranty parts.
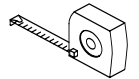

MAINTENACE & CARE
- Do not use any abrasive chemical or corrisve powders, detergents, window cleans, disinfectants or any other strong cleaners on your product as they will destroy the finished and therefore void the warranty.
